

Fajar Ika Saputra

Fullstack Web Developer

Bangka Belitung, Indonesia • +6282372355217 • fajarikasaputra@gmail.com • <https://www.linkedin.com/in/fajar-ika-saputra> • <https://fajarikasaputra-portfolio.vercel.app/>

As a highly motivated and results-oriented undergraduate student pursuing a degree in Informatics Engineering Education, I bring a passion for the dynamic realm of Information Technology, with a keen focus on Web Development. With a solid academic foundation and hands-on experience gained through diverse projects at the university, I am poised to contribute my skills and creativity to the IT landscape.
